

Return Unwanted Medicines

Bury Pharmacy is a distant selling pharmacy (DSP) also known as online pharmacy. This means there are certain procedure and operation elements which needs to be followed, such as patients are not to visit the pharmacy in person to return unwanted medication.

Don't worry, there are few ways you can return your unwanted medicine, below are suggestions which you may follow:

You may return your medication to any high street pharmacy even if that pharmacy did not provide you with your medication. To find your local NHS community pharmacy, use the following link: [find a pharmacy – NHS \(www.nhs.uk\)](http://www.nhs.uk).

To return unwanted medication to our pharmacy you will need to phone the pharmacy first. Our team will then assess the most appropriate method for your return and provide you with additional information and support as required.
